

## Digital Locks

### 2350 medium duty digital lock

These medium duty locks are suitable for medium traffic areas and are easy to install. They incorporate a lever handle, making them easier to operate.

- Single access code
- Easy code change once the lock is removed from the door
- Resistant to code manipulation
- Suitable for doors up to 65mm thick
- Reversible latch for LH or RH doors

---

### Maintenance

To be carried out by approved specialist only.

No abrasives or chemical materials to be used. Wipe with soft damp cloth, or when necessary warm soapy water and a soft cloth. At least once a year, check for correct tolerance and wear, and tighten any screws that may become loose.

If for any reason the products fail due to a defect in manufacture contact us and we will advise you of the replacement procedure
